

APPLICATIONS

Odor Control

Dust Suppression

Sanitizing

Pesticides

Humidification

Portable Fog Unit

FOG-IT10

SPECIFICATIONS

360 degree fog pattern

Adjustable telescoping pole 4-8ft

Runs on compressed air

10 gallon pre-mix tank

The portable fog unit runs on compressed air, which runs to the fog nozzles creating a dense fog where the solution is atomized. Creates a 360 degree pattern for effective fogging in any application.
