

Chemical Racks and Stands

Slide-Out Stand

Great for use under sinks or other equipment.

- Slides like a drawer on most hard surfaces
- Keeps container off the floor – allows visibility and airflow underneath
- Low profile – only adds 3.25 in. (8.25 cm) to container height
- Durable HDPE construction
- Holds containers with footprint up to 12 in. (30 cm) square

Item Number: CMS12X12

Item Number: LI-2X1

Locking Rack

Secure standard 1-gallon jugs.

- Wall mounted
- Holds two 1-gallon containers with diameters up to 6 in. (15.2 cm)
- Can be locked down (requires padlock)
- Stainless steel construction
- Cutouts for label visibility
- Holes to attach chemical tags
- Drainage holes in underside of rack

Wipe Stand

Keep cleaning wipes close by.

- Holds two wipe containers
- Fits standard 5 x 9 in. containers or others at least 6.5 in. (16.5 cm) tall with diameters up to 5 in. (12.7 cm)
- Stand height is 32.5 in. (0.83 m)
- Stainless steel construction
- May be floor mounted

Item Number: C STAND5X9
